

Poems - 1961 - 1972

I discovered my...	1966
Through the Eyes of the Beholder	1961
Bitter but Still	1966
To Peter	1967
For Peter	1967
From bottom drawer	1968
Twenty-one	1968
lying on a silver spider-web	1968
What eye is big enough	1969
I rushed to the door	1969
Part way November	1969
The world is storm in deening	1969
land's end	1970
Sitting on a table	1970
Rushing ankle-deep in shores	1970

Would you run naked with me	1970
The Crime - May	1971
A little boy of considerable discretion	1971
Climb the narrow stairs	1971
Even taking bows	1971
The Crime - July	1971
We deviate our lives	1971
Here we are above again	1971
The paper says	1971
Across the forest I can see	1971
tighten hammerlock.	1972
This two-week old spray	1972
Why haven't I written it	1972
Reach out, reach out	1972
